The Middle School daily schedule provides opportunities and benefits for students including 60 minute classes that offer a slower daily pace for more in-depth, project based learning.

- **Rotating class schedule** provides the benefit of having classes at different times during a four-day rotation.
- **Conference and Collaboration (C & C)** gives all students time for projects, homework, and to get help from a teacher.
- The music program is included in the daily schedule. Seventh and eighth graders have the choice of art, band, or choir.
- **Physical Education (PE)** is taken by all students for the full year.
- **Electives** are required programs incorporated in the daily schedule.
- **Advisory** guides students on their middle school journey as a liaison, confidante, and advocate.
